1-31 2011**

### ABOUT US

Our mission is 'to celebrate art as an essential part of the human experience, enhancing our community through art and art experiences.'

The Lake Country Art Gallery opened it's doors in January 2010 and has been exhibiting local and regional artists since. Visitors can expect to see a variety of mediums and a diverse range of artistic styles in the gallery. Visits to the gallery are free but donations are gratefully accepted.

### AUGUST 2011 AT THE GALLERY

"Snap Shot," works by Glenn Clark is on exhibit at the Lake Country Art Gallery through until September 4th 2011. The exhibition is split into two parts. The first being massive oil paintings of Clark's friends and family, and the other being twenty-eight small landscapes Clark painted on a week long escape to the wilderness. As volunteer curator Jim Kalnin puts it, "in a world full of constant change and in an art world based on the economy of circulating styles, I for one find Glenn's paintings to be a welcome calm in the storm."

To accompany his show, Clark will be doing an artists talk on August 11th at 7:00pm.
