

9th Annual BC Cultural Crawl

Every community has its own unique cultural footprint...

What's yours?

This August, over 70 communities across British Columbia will showcase their arts, culture and heritage.

What is the BC Cultural Crawl?

"The *BC Cultural Crawl* is a celebration of the arts and culture of BC, hosted by a diverse mix of artists and business owners in a specific region", explains Trudy Van Dop, founder of the *BC Cultural Crawl* and Publisher of the *Arts and Cultural Guide to BC*.

The cultural crawl is a self-guided tour of community-initiated events: visual arts, festivals, museum and heritage exhibitions, culinary arts, art-walks, studio tours, music, theatre and dance performances and more.

Van Dop & Associates is pleased to continue its partnership with the Assembly of BC Arts Councils to build on the future of British Columbia's Annual Cultural Crawl.
