

## Every community has its own unique cultural footprint... What's yours?

Aug 1-31

*This August, over 70 communities across British Columbia host dynamic dynamic explorations of their arts, culture and heritage.*

### What is the BC Cultural Crawl?

This self-guided exploration includes many community-initiated events: musical, theatrical and dance performances, visual arts displays, festivals, museum and heritage exhibitions, culinary and winery experiences, art-walks, studio tours and more.

“The *BC Cultural Crawl* is a celebration of the arts and culture of BC, hosted by a diverse mix of artists and business owners in a specific region”, explains Trudy Van Dop, founder of the BC Cultural Crawl and Publisher of the *Arts and Cultural Guide to BC*. “The Crawl is committed to ‘training the spotlight’ on the world class arts, culture and heritage resident in this great province.”

A partnership between the **Arts & Cultural Guide to British Columbia**, BC communities and **www.art-bc.com** provide the resources for residents and visitors to create their own art-full exploration of our supercultural province.

### When is it?

August 1-31 - The BC Cultural Crawl kicks off on the BC Day long weekend and continues through the month of August.

### Where does it take place?

Your journey begins at [www.art-bc.com](http://www.art-bc.com) where you can view all of the participating communities, download itineraries, maps and find all of the resources to help you plan your crawl!
