[Deb Chaney](#), SCA is an award-winning contemporary abstract artist, recently named by Vancouver City Buzz and Culture Trip, as one of the top 10 contemporary artists to watch in Vancouver, and The Georgia Strait described her work as "spiritual consciousness revealed in a physical form" bringing uplifting and healing energy into the places where her works reside. Catch Deb at the upcoming 3-Day Workshop [Creating Encaustic Effects with Acrylic Polymer Mediums](#) | Sept 17, 18 & 19th, 2018.

[Jane Appleby](#) paints her emotional response to the landscape using colour and expressive brushwork in a lyrical manner. She often works on location and paints into

abstraction. Jane's paintings are currently showing in Vancouver at Gallery 88. [Check out some of her inspirational painting videos here.](#)

[Deborah Czernecky](#) is an established Canadian Artist who is an Elected Member of the Society of Canadian Artists (SCA) and an Active Member of the Federation of Canadian Artists (FCA). Having traveled widely from western to eastern Canada and across the awe-inspiring Canadian North, Deborah calls Canada her "Big Backyard". The varied scenery Deborah has encountered has heightened her sense of formation, colours and patterns. Catch Deborah at [Coast Arts Collective Gallery](#) at "Oh, the Places We've Been" | September 12 - 23, 2018

For [Maryanne Jespersen](#), painting is as essential as breathing. Everything she sees and thinks has to be interpreted onto canvas. Maryanne works with many different mediums and is constantly experimenting. She does however have a special love for oil paints. Maryanne especially like the textures and the rich colors created with them.
