This winter, Surrey Art Gallery is pleased to host the travelling exhibition P.Mansaram: The Medium is the Medium from January 22 to March 20.

For the late P.Mansaram, repetition

39 Steps | The Royal Canadian Theatre Company

Mix a Hitchcock masterpiece with a juicy spy novel, add a dash of Monty Python and you have the 39 Steps: a fast-paced and hilarious who-dun-it. Four actors play all the roles in this Tony Award winner.

A cast of four actors plays over 150 characters in this fast-paced tale of an ordinary man on an extraordinarily entertaining adventure. The 39 Steps contains every single legendary scene from the award-winning movie — including the chase on the Flying

was art practice, repetition was spirituality, repetition was falling in love, and as he said, repetition was a way to finding god. Powerful new technologies brought unprecedented opportunities to gather, analyze and report out to a global audience. The notion of citizen reporting or citizen journalism; the ability to capture raw, new perspectives; gained new significance.

From cell phone and CCTV content, to forensic analysis, to creative coding, the artists and activists in this exhibition gain access to missing, hidden or difficult-to-retrieve information.
