Our Mission

Our Mission is to create a sustaining, multi-platform, widely available and user-friendly resource for culturally curious explorers to connect with culture makers and unique curated community experiences in regions across British Columbia.

Van Dop & Associates has been an industry leader in empowering the artists, producers and keepers of Arts, Culture and Heritage in BC to stay connected with an authentic and engaged audience for over thirty years.

We advocate for economic strength in the cultural sector through strategic, curated, community marketing partnerships with local tourism, arts and cultural organizations, other major stakeholders and the people cultivating, creating and preserving local culture.
